Keep Shopping in Connections Book and Gift Store! At Easter, St. Luke's raised over \$800 of profit given directly to local needs of food and shelter during this pandemic by shopping online in our Bookstore. Now the volunteers in *Connections* have created a Summer Catalog hoping you will shop for your gifts for Birthdays, Graduations, Sympathy and Comfort, Confirmation, Get Well etc. Once you know what you want, phone in your order, pay over the phone, and our volunteers deliver your wrapped gift to the doorstep you requested within 48 hours. They will also mail gifts. Be sure and check this out for all your gift giving!

Please consider ordering from our catalog.

All profits from these gift sales go to assist people in our community experiencing food and necessity needs during the current COVID-19 pandemic. Approximately 40% of your purchase goes directly to this cause!

Procedure for Safe Delivery: All gift orders will be taken over the phone by a *St Luke's Connections Books & Gift Store* volunteer.

For items delivered in the Indianapolis area: All COVID-19 precautions will be followed. A volunteer wearing a mask and gloves will deliver the gift. The gift will be left at the front door and the volunteer will depart so that safe-distancing is maintained.

For items being mailed outside the Indianapolis area: We are able to mail your gifts USPS Priority Mail for a charge of \$10 - \$20, depending on the size of the gift.

To Purchase:

- Scroll through the selection of gifts below. The prices include an enclosure note, tax and delivery fees.
- Write down the number of the gift(s) you want to purchase.
- Have the delivery address(es) and phone numbers of the people you are sending the gift(s) to and your credit card information handy.
